3 Courses

Canva Design Essentials Pt. 1: Core Tools & Layouts

Canva Design Essentials Pt. 2: Branding & Identity

Canva Design Essentials Pt. 3: Docs, Video & AI Tools

Jan 20, 2026

Rishabh Shah

has successfully completed the online Specialization

Canva Design Essentials

This Specialization is intended for beginners, small business owners, and aspiring creatives seeking to develop essential design skills using Canva. Through three courses, you will cover layout and design fundamentals, branding and identity creation, and advanced tools like presentations, video editing, and AI features. These lessons will prepare you to create professional graphics, logos, branded assets, and multimedia content for both personal and business use.
